Chapter 2. Using Coto Note

2.1. Overview

There are two screens.

- (1) Editor
- (2) Settings

2.2. (1) Editor

Use stylus in order to draw strokes and use finger manipulate them.

- Switch Pen Color : Tap pen icon in the left top corner
- Undo / Redo : Tap undo or redo icon in the left bottom corner
- Temporary Group : Lasso some strokes with finger
- Persistent Group : Lasso some strokes with finger and tap group icon in the left bottom corner

By making temporary or persistent group, you can move them with finger.
And also you can delete them drag and drop into the trashcan icon in the right bottom corner.

2.3. (2) Settings
